

Remarks

The amendments to the subject specification are being made to insert the required statement regarding federally sponsored research and to correct inadvertent typographical errors.

Applicants' undersigned representative submitted a Sequence Listing on paper when the subject application was filed. However, Applicants have revised numeric identifier <223> for SEQ ID NOs. 1-26. This submission is intended as the replacement of the paper copy of the Sequence Listing originally filed.

This amendment is also made to conform the application with the provisions of 37 CFR §§1.821 through 1.825. I hereby certify that no new material is being added by this submission. Entry of the amendments and replacement Sequence Listing presented herein is respectfully requested.

The Commissioner is hereby authorized to charge any fees which may be required to Deposit Account No. 19-0065.

Respectfully submitted,
